

Healthcare

Harvard University Health Services

For most students, your first point of contact will be the Harvard University Health Services.
www.huhs.harvard.edu

The Harvard University Health Services offers comprehensive medical care while you are at the University.

The main office is in Cambridge, and there is also a branch in the Longwood Medical area.

Main Office

75 Mount Auburn Street, Cambridge
General Information: (617) 495-2001

Major Area Hospitals

Boston is a major medical center. There are numerous well known hospitals in the Longwood Medical Area and many more throughout the city.

For individual and family health needs, your first contact should always be the provider through which you have health insurance.
